★ A 2.5D RPG ★ Turn-based system ★ 5 classes ★ A total of 15 heroes ★ A perfect blend of skill and combat ★ Hundreds of unique objects and items ★ A total of 15 unique heroes, each with his own combat style ★ A total of 105 unique items ★ Different missions ★ 3 world maps ★ Many secrets to discover ★ Ranging from single-player, to multi-player, to co-op, to PvP, to a lot more

Single Player: The main character gets out into the dangerous world. To protect and rescue her life, she has to complete a series of tasks, make friends with other people, and win battles against monsters. In this way, the game is designed to provide a tough struggle with the local bandits or other monsters, and for the player to make new friends with. The main character and her friends are lost in the middle of the desert. Roads and railways have been destroyed by nuclear explosions. There is only a lot of sand and dust. As the wild cats, they start their way to the East. They travel, exploring and finding new places. They meet many people and make their way through dangerous enemies and obstacles.

Multiplayer: Dynas, an ancient deity for magic, has an escape from the hell. He is looking for a way to escape from the underworld, and plans to find a group of adventurers on Earth. He decides to find a band of heroes that are willing to make a sacrifice, and then create the way for him to escape. He offers each character a new magic, and sets them on their mission: to find the divine book and gather the heroes together.

Co-op: There are 2 ways to play co-op: 1. Find the other heroes and try to escape from the prison in the middle of the desert. 2. Team up with other heroes and a separate group to go on quests in this world.

PvP: Play against other heroes in battle. You can choose your own class and your own character (two each class), and you can choose a different mode. A separate team will battle among other teams. You will be able to try different modes like PvE mode, Co-op mode, PvP mode, etc, and

experience something new. The ecosystem of the Wasteland is very important to the main character. He will be able to gather plants, animals, insects, people, and other elements.

Based on the Koihime Musou visual novel, Koihime Enbu features a reimagining of the Romance of Three Kingdoms where the majority of characters are girls! The gameplay draws from the arcade roots of Koihime Enbu's gameplay - fast gameplay, easy to learn and with a satisfying depth of strategy. The game also features a fast paced battle system, with easy to learn control mechanics and a responsive A.I. to really make Koihime Enbu a fun and rewarding experience! Players can choose to play as 13 different characters, each with their own unique strengths and weaknesses.Koihime Enbu features the same Fatal Counter system that features in Koihime Enbu. This features a revitalization of the Fatal Counter system found in Koihime Enbu where moves have different properties depending on how the move is used. This means you can learn these different properties to get maximum combo potential, or find ways of countering your opponent.Players will enjoy the optional Tactics Meter which allows you to change how each character's special move is performed by pressing different combinations of buttons. In addition, the Tactics Meter also acts as an alternative to continue your long combos, as well as a meter which prevents the battle from ending in a draw. The ultimate goal in Koihime Enbu is to defeat your opponent using Fatal Counters. As you defeat your opponent, their health will drop and when they reach 0 their life meter will start to disappear. They will also start to avoid your attack. An important part of the Fatal Counter system is to use each character's advantage in a special move to counter an opponent and use

the Tactics Meter to make your moves bigger, easier, or more powerful so you can use Fatal Counters. This game is set in an alternative version of the Warring States Period. During this time, many of the people took on the roles of women. Most significantly, the ruler of the country became the emperor's concubine. As such, Koihime Enbu sees an emphasis on using the ladies to fight. These ladies are called the "Assist" characters. They are distinct from the player characters.

The game is presented in two chapters which are separated into four distinct stages. The first stage, titled Recovery, is meant for the first couple of days that Wn spends in Ibirapuera after his return. It consists of 3 different scenarios in which Wn must meet different people and get to know them. One of them, the Investigation, is the most important in this chapter, since it involves Etsuko's interview. The second chapter, the Resilience, is the night of the concert and it takes place right after Etsuko's departure. Here, Wn meets the mysterious Arin, who is just as worried about Etsuko's disappearance as Wn is. We discover the past of both characters and both get to know more of their life stories. The third stage, Mutual Interest, is when both Wn and Arin have to face the possibility of falling in love again, and, as in all romance-games, there's a metaphorical tarot card telling the story of each of their decisions. The fourth and final stage, Consolidation, takes place after Etsuko finally comes back, and it's when Wn reunites with her and, in that moment, decides to get into contact with his old friend Cau in order to gather all the pieces of his life together. The second part, The Resilience, starts just after the "garden" melody is over and the seventh song of the album "Estava Certo ao Meu Pé" plays. A simple action/RPG with a lot of choices, the developers decided to make this second part an interesting and complex challenge because there are so many things you can do and when the person in charge of filling up this checklist every time you make your choice, Wn has only 30 days to do so. Some of them are infinite, so it can be considered the "game itself". We also learn more about Arin, who is now part of the Investigation team. The first story is now complete, and we learn about the past of Etsuko, Arin and Wn. The other chapters are a combination of scenes from Wn's past and his present. The first chapter is this time called Making an Unexpected Friendship. It shows Wn's best moments with Cau, and it's here that we learn about Cau's family, his past and his future. The second chapter is titled Wn's First Concert. It shows Wn's crazy adventures in and out

10 Diet Mistakes! That I Have Made! This 6-day juice fast will change your life. So many failed diets out there..... so you don't want to be one of them. I can help you design a masterpiece, so you can look and feel the best you ever have... in 6 days flat! Literally "you can do this diet!" What if I could get rid of Anxiety, Depression, Obsessive Compulsive Disorder, Lyme Disease, Kidney Failure, Hypertension, Migraines, Fibromyalgia and many more mind boggling health issues that would make you think.... "hmm.... this IS a good diet idea!" Good right? Okay, think I got your attention. This is a very serious subject. Your health comes before almost anything. Here's what I am going to tell you. I know it sounds crazy, and I find it hard to believe that I wrote it, but here it is: I am crazy enough to think that I can HELP YOU! Do you want ME to help you? It is time to take back your health. If you have a friend who would like this, but would rather wait until November (when I will be doing this 6-day liquid diet in person with them), they can find it, and order it directly here: I am going to tell you that most diet plans and diets out there are so complicated that you

may not be able to comprehend it. But I will tell you, that as soon as you follow these diet plans, it will change your life. You will start to have more energy and feel less aches and pains and mood swings. I suggest that you follow it for 3 weeks and if your doctor suggests that you have followed it for 2 months. Okay, let me show you what you can expect. If you are willing to listen and follow it. Here are 8 basic things that will help you along your way! 1. Stay Away From "Slow Killers" This is what I have found out. For every person who has helped me, one out of every 200 people never does. I can't tell you what it is, but this diet is not for everybody. People tell me that it has two to three days detox, and that it works
