With this expansion pack you get 5 different voice packs for MorphVOX Pro 4. A total of 15 new voices in one handy expansion! 1. Deep Space Voices - 6 Space Flight Ready Voices Deep Space Voices creates a unique sound for when you are in the depths of space. These voices make it seem as if you are talking directly to your space ship. 2. Fantasy Voices - 8 Fantasy RPG Voices Fantasy Voices packs a powerful punch and its made to be quite loud. We have amazing Female and Male voices for RPG's like Dragon Age and Dragon Age 2. If you are a Dark Elf you will love our new Elf Pack. If you are a Rataillian you will love our Mutant pack. If you love a Kith, Kin or Dwarf, you will love our Dwarf pack. If you have an Apple, you will love our Apple pack. If you speak Spanish, you will love our Latin pack. If you like to hear your friends rambling on, this pack is for you. 3. Furry Voices - 10 Furry Creature Voices Another of the best audio packs for Second Life. The Furry Voices is a collection of 10 voices that bring little furry friends to life. If you are a Furry you will love this pack. If you are more human you will love the pack. It doesn't matter if you like Foxes, Otters, Otter Men or even Dragons, because you will love this pack. 4. Sci-Fi Voices - 10 Sci-Fi Voice Packs Finally, the Sci-Fi Voices pack is packed with 10 wonderful packs to add science fiction to your Second Life. You will hear voices for the crew of an intergalactic battle. You will hear the voice of a robot or robot bot. You will hear a scraggly tentacled being for The Thing (The Thing - The Curse of the Thing). You will hear a Hero with a super hero alter ego. You will hear voices of royalty and you will hear voices for the scum of the earth. If you are a writer, you will love this pack. If you are a history buff, you will love this pack. If you are a collector, you will love this pack. If you like to hear people yelling and screaming, you will love this pack. If you are a fighter, you will love this pack. If you are
