Prepare for war and use the subtle art of strategy to attack your enemy! Whether it's intelligence and dexterity or endurance and rudeness. On the whole, the film is just wonderful, even magnificent. Not so long ago, you and I admired one of the best films about the war, Saving Private Ryan. The film is so good that after watching it, many had tears in their eyes. And now, when many of you have already calmed down a bit, the director made a sequel to this sensational film, Pearl Harbor. The film is very exciting, it makes you think about the importance of friendship, love, devotion, about the Motherland, about loyalty, about duty and honor.
